VOL. 102 NO. 2 | CAMERON, MILAM COUNTY TEXAS, THURSDAY APRIL 6, 1961 | 12 PAGES TODAY

This Is 102

With FML

An American manufacturer was showing his plant to a prospective customer from East Europe. When the noon whistle blew, thousands of men stopped work and hustled out of sight.

The amazed visitor cried: "They're all escaping! Can't you stop them?"

"Oh, never mind," the manufacturer replied," they'll all come back."

When the starting whistle blew, the visitors was again amazed to see the workmen hurrying back and returning to work with gusto.

"Now," said the manufacturer, as he concluded the tour, "I hope you have decided to buy some of our machines."

"Later,' said the visitor. "First, how much do you want for that whistle?"

—— Contributed

102 - 102 - 102

P. T. Barnum, the greatest showman of America's 19th century, advanced the following theory on promotion:

"Advertise your business or the sheriff will do it for you."

102 - 102 - 102

SUBTLEY — "Alma's dog, Sidney, has been run over -- she'll be heartbroken!"

"Don't tell her abruptly."

"Okay. I'll begin by saying it's her husband."

Spring sprung and so did our memory: The Herald's apologies to Cameron and the Cameron Ministerial Alliance for overlooking publication of a story on Good Friday services last week.

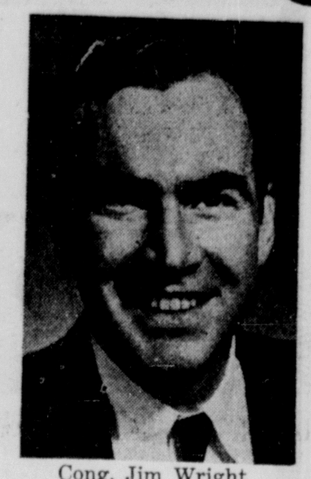
Blakley Polls 610; Wright Gets 405



Cong. Jim Wright
. . . Trails Blakley

Wilson, Tower Run 3rd, Fourth

Milam County voters Tuesday favored interim Sen. William Blakley over five other leading candidates with 610 votes in a 2079-vote senatorial election.

Congressman Jim Wright polled 405 votes to hold second position closely followed by Atty - Gen. Will Wilson's 373 and Republican John Tower's 365 votes.

State Election Board officials Wednesday announced that Tower, the only Republican among the six top candidates and some 60 others, would probably be in a runoff with either Blakley or Wright, who were running so close on the state level that late votes may decide the issue.

It appeared certain by 2:30 p. m. Wednesday that Blakely would be in the state runoff with Tower. Blakely was leading Wright about 137,000 to 167,000 votes while Tower had polled 322,000 votes.

Wilson had polled 120,000 votes and Maverick 104,000 votes.

With 37 of 39 Milam precincts reporting by 9 a. m. Wednesday, Blakley held the lead over the other candidates. Liberal Democrat Maurey Maverick, Jr., drew 230 votes and State. Sen. Henry B. Gonzalez polled 56.

Only candidate among the field of 60 others who drew many Milam votes was Eristus Sams with about 30 votes.

An interesting aspect of the race was that total votes cast in the large precincts accounted for 62 percent of all the 2,079 votes of 37 precincts reported.

The big precinct vote also favored moderate to conservative candidates.

In Rockdale (2), Cameron (2), Thorndale, Milano and Buckholts the largest precincts, the two conservative candidates Tower and Blakley carried about half of the votes (Blakley 404 -- Tower 291). Moderate candidates Wright and Wilson carried 446 (Wright 242-- Wilson 204). Liberal candidates Maverick and Gonzalez drew 187 votes (Maverick 150 - Gonzales 37.)

Cameron voting was light in all three elections -- school, city and senate -- due to the absence of contested local elections, observers reported.

About 3,300 Milam Countians had paid poll taxes this year, heavier than a normal off - year election.

By 9 p. m. Tuesday, 36 county precincts had reported their votes to the Milam County Clerk's office.

. . . In Runoff

City, School Votes Light This Week

Cameron City Council and School Board elections uncontested this year, drew light votes and sent all listed candidates into office.

Tuesday the City Council canvassed a City election that totaled 123 votes for three incumbent councilmen.

They drew:

(Place 3) Richard Moseley: 108 votes

(Place 4) Erwin L. Wied: 121 votes

(Place 5) John A. Smith: 105 votes

Write - in votes one eacn were acknowledged for B. J. Matocha, Ed Laywell, former Mayor Robert Weems, State Atty - Gen. Will Wilson and Roy Barrett.

In the Saturday school board election, 199 voters cast ballots for two incumbents and newcomer Dr. Robert Tumlinson.

Voting went:

Dr. S. H. Richardson: 194 votes

Dr. Robert Tumlinson: 191 votes

Dr. Gus Evans, Jr., 183 votes

Write - in votes included three for Buster Griffin, who was a strong write - in candidate last year, and one for Samuel S. White.

Officials said the school vote was heavier than normal with no opposition candidacies. Belton held an unopposed school board election and polled about 90 votes.

A write - in campaign for a Negro candidate had been rumored, but apparently did not develop in the Cameron election.

Both city and school elections went about as expected by both candidates and election observers. In the city, Moseley was returned to his third two - year term on the Council while Wied and Smith will return to office for their first full two - year terms. They were elected to fill one - year unexpired terms in 1960.

The trio of doctors on the school board, Dr. Richardson, a medical doctor, Dr. Tumlinson, a veterinaran; and Dr. Evans, an optometrist, made Cameron's School Board and administration one of most titled in Central Texas. Also on the board is a fourth doctor, Dr. David Shapiro, and Dr. Earl Knebel, superintendent holding a doctor's in education, presents the fifth title.

Other school board members are: Niley Smith, Jr., F. W. Vogelsang and Milton Schiller. E. Max Howard, former board president did not seek re-election to the board.

City Council Reviews Estimates On Sewer Service In NW City

The Cameron City Council Tuesday night considered $7,500 cost estimates on sewerage lines and pump station in Northwest Cameron and approved a $1,843 bid for painting the city water tower.

After canvassing the city election of 128 votes, Councilmen discussed plans for extending sewerage service to areas of Northwest Cameron if property owners would sign agreements in advance to participate in the program.

And City - Atty. Charlie Smith, Jr., reported that contract and lien agreements for E. 11th St. residents had been completed. City officials are planning to give the go ahead on paving E. 11th St. when liens and paving contracts are completed, Mayor Coleman Duncum said.

In other action, the board discussed swimming pool insurance and called for further estimates on liability insurance for the three-month swimming pool season.

A bid of $1,843 from Water Tank Service Co., Houston was accepted by Councilmen. It was the lowest of two bids. with Virginia Tank Company second on a bid of $1,859.

Work was to begin next week on painting the huge water tower with aluminum paint.

Houston Man, 66 Charged After Burglary Here

Police Chief Elvin Hoskins and Deputy Sheriff Douglas Barron returned from Houston Monday with a suspect charged with the burglary of Cameron Machine Shop.

He is James R. Clements, 66, of Houston, charged in JP Judge B. G. Rice's Court with burglary. He is in Milam County Jail.

Chief Hoskins said the Cameron Machine Shop was entered sometime over the weekend and that about $600 in tools were taken.

A city patrolman noticed Clements in a 1960 Ford about 4 a.m. Sunday and ticketed him for no driver's license. Clements then went on his way.

Following the report of the Cameron Machine Shop burglary, Hoskins told The Herald, officials checked on Clements and decided to go to Houston to make the arrest.

Hoskins said that Clements has served terms in Leavenworth and Huntsville for conviction on robbery.

Clements was picked up at his home at 2623 Heavenhill in Houston.

Herman Hanel, co - owner of Cameron Machine Shop, identified a pair of his gloves in Clements' car, Hoskins said.

Here's Report On 11 School Votes

Eleven school board elections in the Milam area showed generally light votes Saturday though a number of the elections had a wide range of candidates.

SHARP

Voters in the Sharp district chose one new trustee in Emory Brockenbush and re - elected Raymond Schneider. Incumbent George Hosch was not re - elected. Schneider drew 157 votes, Brockenbush 96 and Hosch 71.

Sharp district voters, at polls at Sharp and Val Verde, also favored maintaining a six - grade school. Voting was 95 - 35 for at Sharp and 8-27 against at Val Verde. It meant that grades 7-12 of Sharp School would be closed for the 1961-62 year.

In other county elections, only trustee voting was conducted.

BUCKHOLTS

At Buckholts, Frank Tomascik with 40 votes and William A. Lange with 33 won posts for the first time. Incumbent Jack Rusicke was re-elected with 45 votes. Other incumbents C. B. McNeil with 30 votes and Adolph Jurca with 19 were not re - elected in the race for three posts.

MILANO

A six - candidate Milano election saw E. C. Westbrook, Jr., and O. T. Bullock elected. Westbrook led the ticket with 107 votes followed by Bullock's 48. Other candidates and their votes were: J. K. Maddox, 38; Leland Garrison, 30; Curtis Miller, 39; and Jerry Rek, 37.

BURLINGTON

Burlington voters favored Walter G. Marek with 18 votes, and George Kahlig and Leonard Pelzel with 14 each. All were incumbents. William J. Crenan with 11, Julius Futschik with 5 and Leo Helpert with 2 votes completed the six - man field.

MARAK, DAVILLA

Marak and Davilla school voters each re - elected one trustee. They are: Joe Hromcik at Marak, and Lester Davis at Davilla.

GAUSE

In Gause, Henry M. Simmons and A. Frank Alford were elected without opposition.

COUNTY BOARD

And County School Board trustees elected were: W. L. Howell, Commissioner's Precinct 3, and Weldon Gilchrist, Commissioner's Precinct 4. They were unopposed.

ROCKDALE

Rockdale voters re - elected Brice Crow with 275 votes and Sam Peebles with 164 votes. Others polling votes in the election were: Johnny Sonntag, 94, Kames V. Jones, 75, and Dan Legg, 63.

THORNDALE

Voters in Thorndale re - elected Harry Wayne Clark with 128 votes and newcomer Roscoe Conoley with 89. Also running were Floyd Rodenbeck with 49 votes and Robert Hoskins with 37.

ROGERS

At Rogers, voters re - elected Woodson Waits and H. H. Wright with 29 votes each.

Local Lanes To Host Professional Bowler

National Professional bowler Don Ellis will give a series of bowling exhibits Sunday, April 9 at the Cameron Lanes starting at 2 p. m. and 6:30 p. m.

Ellis, who has several 300 games to his credit incuding 1 sanctioned 300 game and an average of well over 200 will conduct a bowling clinic at which time he will bowl a series of games with local bowlers. He is a member of the Brunswick advisory staff and and will have pointers for better bowling.

The public is invited with a special invitation to all bowlers and beginners.

Buckholts Sailor On Pacific Exercise

LONG BEACH (FHTNC) -- Vernel Williams, gunner's mate seaman, USN, son of Mr. and Mrs. C. Williams of Rt. 1, Buckholts serving aboard the anti submarine warfare support aircraft carrier USS Yorktown operating out of Long Beach, Calif., will take part in a large U. S. Pacific Fleet exercise during the Spring of 1961.

Nicknamed "Green Light," the exercise will be conducted by the U. S. First Fleet, commanded by Vice Admiral C. L. Melson.

Hundreds Attend Good Friday Service At First Methodist

Hundreds of Cameronites attended Good Friday services at the First Methodist Church from noon to 3 p. m. Friday.

The annual observance was directed in a series of 25 - minute programs by Cameron ministers.

Leading the service were: the Rev. Floyd Hawkins, the Rev. Kenneth C. Haley, the Rev. H. M. Bowley, the Rev. Gerald Cobb, the Rev. A. F. Russell. the Rev. Eugene Strickland and the Rev. Loyd Burleson.

Most Cameron stores closed for the Good Friday services.

Club's Project Adds Dimension To Library Drive

Cameron's interest in a new library took on added dimension this week as the Cameron Delphian Club voted to enter a $70,000 Community Improvement Contest with any prize money going to the Cameron library drive.

This news came as library committees on building and out-of-town finance were working on early stages of the drive. E. A. Perrin, chairman of the 90 - member Planning Board, has announced plans for another Board meeting when the building group outlines local library building needs.

The Delphian Club will keep records and a scrap book of the progress on the library drive. Their project entry will be included in a nation - wide community improvement program sponsored by the General Federation of Women's Clubs. and the Sears - Roebuck Foundation.

Members of the Delphian Club were leaders in sparking interest in improving Cameron library facilities.

Cash awards to the best entries range from a first prize of $10,000 to state awards of $300. Their entries will be judged on progress and success of the library program, club officials said.

The national contest judges projects undertaken from June, 1960 to June, 1962 on the basis of community co - operation, action and vision, club officials added.

Thus far, contacts were being made with prospective out-of-town contributors to the Cameron Library drive. A special donation fund has already been established at Citizens National Bank. And building committee members are studying research materials from the University of Texas graduate school of library science.

Site for the new library has been established on City Park property on E. Fourth St.

Herald RR Story Among Finalists

Lloyd Albertson, Herald feature writer and Centennial editor, was among the finalists whose stories were judged for $1,450 in cash prizes this week by the Texas Railroad Association.

Albertson's Centennial feature on the Rockdale, Sandow & Southern Railroad went into the final judging though it failed to take any of the top three places in the Texas weekly newspaper entries.

Cash prizes went to the top three winners in the daily and weekly categories. Mrs. W. A. Salter, publisher of the Kerrville Mountain Sun, won the first weekly prize of $200.

Other winners of feature and editorial awards are listed on an inside page.

Neither Albertson nor The Herald knew his story had been placed in the contest, annual competition for newspaper features and editorials on the railroad industry.

The nature of the story, about the unique six - mile railroad operating in Milam County's lignite fields since 1932, apparently attracted the attention of the Association's Austin office.

Appearing in the Nov. 24, 1960, Herald Centennial edition, Albertson's story recounted the performance of RS& S Railroad through the 1920's, peak years of lignite production until Alcoa opened its Rockdale Works in the early 1950's.

The story also told of sale of some RS&S equipment to Hollywood movie studios when diesels were put into use.

Judges of the year - long contest were: Wallace Lomoe, executive editor of The Milwaukee (Wisconsin) Journal, L. S. Fanning, executive editor of The Chicago Sun - Times, and Edward J. Meeman, editor of The Memphis (Tennessee) Press - Scimitar.

Citizens Urged To Participate In Bloodmobile Thurs.

The Red Cross Bloodmobile will be in Cameron today (Thursday) at the Methodist Fellowship Hall from 12 noon to 6 p. m. to receive donations for the Central Texas Blood Center.

Richard Moseley, blood chairman, urged all citizens to donate blood if possible. He stated that the blood program was of great importance to the community and county and has proven so in recent years.

He expressed the fact that the citizens of this community have always used as much or more blood than has been donated.

Moseley urges all employers to make it possible for all employees to donate blood if they desire.

Conservation, Flood Control . . .

LR Landowners Organize

About 40 property owners along Little River Friday night elected officers to a newly organized Little River Water Conservation and Flood Control Association.

Elected president was O. G. Tumlinson, landowner near Cameron, and former president of the Milam Farm Bureau. Secretary - treasurer of the organization is Valter White.

Tumlinson appointed a committee of eight men to work with the Corps of Engineers to ease Congressional water release requirements at Belton Dam and assurance of federal assistance in clearing and straightening the channel of Little River in Milam County.

It was the second meeting in the past four weeks on the Belton Reservoir flooding of Little River bottomland. About 20 Little River property owners met with Co. R. P. West, chief of the Ft. Worth District of U. S. Army Corps of Engineers earlier in March.

Col. West assured landowners at the first meeting of his personal interest in the flood problem. He has since been calling Radio KMIL whenever waters are to be released from Belton Reservoir.

County Judge Don G. Humble opened the Friday night meeting, at Milam District Court, explaining the County Commissioners. resolution, interest from Texas senators, Corps of Engineers and Cong. W. R. Poage, and recommending that the landowners organize to seek aid from Washington on the problem.

He said the resolution meant to get federal attention, it got it, and he wished to withdraw from the group to avoid charges of political involvements.

Tumlinson, White and a number of other landowners discussed the problems of Little River overflow, pointing out that the River can now carry about 3,500 cubic feet per second when 7,000 feet keeps the River at flood stage for many bottomland farmers.

Appointed to serve on the Association's committee were: Sterling C. Evans, W. A. L. Robinson, H. P. Culpepper, A. J. Smith, John Henderson, C O Angell, Lawrence McClaren and Nelson Davis

Tumlinson pointed out that Col West had kept his promise to check personally on outflow of water from Belton Reservoir And he added that Col. West had assured the first landowner meeting that he would request use of $300,000 of a projected $500,000 for Stillhouse Hollow for Little River rectification.

During the Friday meeting, E. A. Perrin, secretary of the Elm Creek Watershed, addressed the group on the importance of working for a county - wide program of up - stream water control. He noted that the Elm Creek Watershed will vote again this year on a bond issue to build dams in the four - county district.

Mr. and Mrs. Nelson Kohring of Dallas spent the holiday weekend with his parent Mr. and Mrs. Alfred Kohring.

Mrs. Hubert Skala and Delvin joined Mrs. Oran Casey and daughters, Alma Jo, Deanna and Darlene of Cedar Springs for a visit with Mr. and Mrs. Charles Burnett in Bryan Friday.

Mrs. Bill Harrison visited in the Jimmy Harrison home at Rosebud Friday afternoon.

Guests of Mr. and Mrs. Otto Mayer and sons Easter Sunday were Mrs. Celia McSherry of Burlington and her grandson Pat McSherry of Dallas, Mr. and Mrs. Lawrence Kostroun and Johnny of Temple, and Mr. and Mrs. Melvin Davis of Waco.

TDH Announces Road Improvement For Milam County

Bryan - The Texas Highway Department has announced the following improvement projects in Milam County.

F. M. 486 - Sta. 8-81 to Sta. 225-40 -- From Intersection U. S. 79 in Thorndale to 4.4 Miles South

F. M. 2269 -- Sta. 0-00 to Sta. 526-25 -- From Junction F. M. 485 to Junction U. S. Highway 190

The construction will consist of additional surfacing or seal coat. The Texas Highway Department and the contractor, R. B. Bowden Construction Company of San Marcos, Texas, stated that the construction will begin on April 10 and will be completed by April 12, 1961.

C. B. Thames, District Engineer of the Texas Hgiway Department in the Bryan area, explained that traffic will be routed along the shoulders. Thames pointed out that adequate barricades and warning signals will be prominently displayed, but motorists should be extremely cautions in passing through the area as it will be heavily traveled by large highway construction equipment.

Flagmen will be provided for the protection of motorists and workmen alike. The entire length will be patrolled to minimize inconvenience to motorists. Co - operation of the public is requested in obeying all traffic signals, warning signs and speed zones, Thames said.

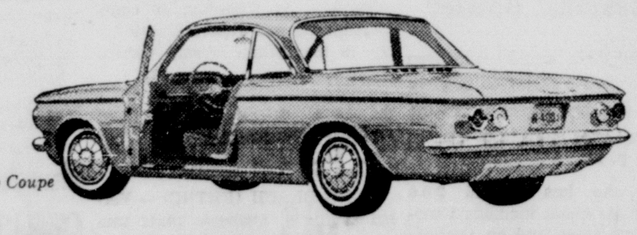
Corvair 700 Lakewood Station Wagon



Monza Club Coupe

One of these Chevy Corvairs wants

YOU

(in a friendly way, of course)

Either of these Corvairs would make you a wonderful traveling companion. (Any of Corvair's ten budget-priced models would, for that matter.) The Lakewood Station Wagon earns its keep with a solid 68 cubic feet of cargo space, 10 of it under that lockable hood. And the Monza Club Coupe, with its bucket-type front seats, lets you in on some ultra-comfortable driving.

And they both handle and brake and perform beautifully. (Proof of the pudding is the way the '61 Corvair manhandled the recent Canadian Winter Rally, winning outright and taking the first five places in its class in this rugged 1,265-mile test.) Look 'em over at your dealer's. And if you can't decide which one you want, feel free to take both.

Do You Really CARE...

...about YOUR Family?

YOU PROVIDE:

FOOD
CLOTHING
SHELTER
MEDICINE
EDUCATION
DISCIPLINE
RECREATION

It is your duty as a good parent to provide these things.

BUT...

WHAT ABOUT **Spiritual Guidance?**

Do You Care Enough...

To DO Your Duty? -

You MUST be concerned with the eternal interest of your family to really prove your love. As a parent you cannot escape that obligation. (Eph. 6:4.)

To BE A Good Example? -

You MUST lead a devoted life and worship regularly before your family (Mt. 5:16; Heb. 10:25), IF you would truly show your love for God. (Jn. 14:23.)

To BE Together? -

You MUST agree with your family in religious matters to have a completely happy home. God did not expect the home to be divided, especially by the TRUE Christian religion. (Mt. 12:25). This weakens parents and destroys children.

To SEARCH For Truth? -

You MUST be more than a religious person agreed with your family and worshipping with them. NOT ALL religions are right. A study of Mt. 7: 21-23; Mk. 7:7; Ac. 26:9; Tit. 1:16 readily confirms this. Only truth can save your soul; sincerity alone is NOT enough. (Jn. 17:17; Prov. 14:12). That truth is available to all men in the New Testament. Can you give an answer for YOUR faith? (1 Pet. 3:15).

To ACCEPT An Invitation? -

You MUST realize that Jesus Christ died for the sins of all men, and He extends to you an invitation of love and forgiveness. (Mt. 11:28 - 30). These words ring out to you from the churches of Christ (Rom. 16:16) in a hopeful prayer that YOU will accept that entreaty. (Lk. 6:46). We plead only for the restoration of simple New Testament Christianity with all men united in one body. (1 Cor. 1:10; Eph. 4:4).

BEST GROCERY BUYS FOR THE FAMILY — Shopworth FOOD STORES — UNITED STATES WHOLESALE GROCERS ASSOCIATION

Objectives Of Grain Bill Told

COLLEGE STATION — The feed grain legislation, signed into law on March 22 by President Kennedy, has four purposes. They are to increase farm income; prevent further buildup of the feed grain surplus and reduce it if possible; help assure the consumer of fair and stable prices for meat, poultry and dairy products and reduce the ultimate feed grain program cost to taxpayers.

According to C. H. Bates, farm management specialists for the Texas Agricultural Extension Service, the program is voluntary and applies only to 1961. All field corn and grain sorghum whether for grain, fodder or silage are covered and cooperators are being asked to reduce their 1961 plantings of these crops by at least 20 percent below the 1959 - 60 average acreage. Voluntary reductions up to 40 percent are encouraged for growers with bases of 100 acres or more. Growers with bases of 25 acres or less may retire the total under the program.

Cooperating farmers will be eligible for support prices -- $1.93 cwt. on grain sorghums, $1.20 per bushel on corn, 92 cents per bushel on barley, 62 cents for oats and $1.02 per bushel for rye. The non-cooperator will not be eligible for price support on any of these crops, Bates said. His production would have to move at market prices. He cannot depend upon the government price support nor his neighbor's production adjustment to hold up the market price.

Cooperators, if they cooose, may receive payments in the form of negotiable certificates which represent grain from CCC stocks. The Secretary of Agriculture will determine the flow of this grain into market channels.

A cooperator, Bates said, reduces his grain sorghum or corn acreage for 1961 below his 1959 - 60 average. The diverted acres must be put to some conservation use. It cannot be harvested or pastured. Weeds, insects and rodents must be controlled on the diverted acreage.

In turn he will receive, in addition to his eligibility for price supports on his grain crops, a payment for each acre diverted to conservation use. The rate of payment for the first 20 percent diverted will be 50 percent of the normal production of the acreage diverted times the county support price. (This price will be announced shortly by county ASC officials.) As an additional incentive, a grower may divert an additional 20 percent and receive a payment rate of 60 per cent times the county price per acre diverted.

A grower becomes eligible for advance payment -- 50 percent of the total -- when he signifies his intention of coopration. This advance payment, Bates said, will help the producer meet his production expenses and is expected to be an important incentive for cooperation.

The specialist added that the program is effective protection in case of crop failure. The payment on diverted acres will be made regardless of weather and is a measure of income insurance as are the higher price supports.

The non - cooperator, Bates advised, will not be eligible for price support on any grain crop and cannot expect to build up his acreage base for future programs. It has been emphasized that the U. S. Department of Agriculture will strongly recommend to Congress that any legislation involving establishment of base acreage for production adjustment give no advantage to producers who fail to cooperate in the 1961 feed grain program.

White many details remain to be worked out, Bates said, county ASC officials have the basic information on the program and are in a position to answer most questions. Local county agents are also receiving information on the program and may be contacted for details. Bates added that educational meetings will be held in all grain producing counties to acquaint growers with the program just as soon as base figures for counties and farms are available and local personnel can be trained.

Lateral Oiling Can Cut Cotton Production Costs

COLLEGE STATION — Like to save up to $25 an acre on labor costs on this year's cotton crop?

Lateral oiling for grass and weed control is the answer, says Glenn Black, extension cotton specialist. He points out that a once-over application of naphtha costs only a dollar to a dollar and a half an acre for material compared with more expensive hand hoeing.

Black recommends spraying seedling grass and tender weeds in young cotton with 5 gallons of naphtha an acre. The first application can be made when the cotton is 7-10 days old. Be careful, he adds, and apply the spray below the leaves of the cotton plant. Cotton plants have enough growth and natural wax on the stalks at this stage to shed the naphtha without injury while the grass and weeds are killed.

Other applicatons, at 7-10 day intervals, may be used if needed. Stop oiling, he warns, when the cotton is 5-6 weeks older when bark begins to form on the stalks or damage to the cotton may occur.

This practice, Black says, was used over 71,000 acres in 75 Texas counties last year where the cotton was rolled at planting time or rotary hoed later to prepare a smooth surface for the operation.

Parallel action oiling shoes for a 2-row set - up are available and can be connected to a low volume insect spray rig.

Local county agricultural agents, advises Black, can supply detailed information on this cost - cutting production practice.

Keep Tackle Box In Shade

Keep your tackle box in the shade on extremely hot days.

Prolonged exposure to heat can cause a plastic tackle box to warp. The interior of a metal tackle box can get extremely hot and plastic lures stored within often will warp enough to spoil their action.

NEW STYLE PIG PEN — A small industry is developing at Cameron Machine shop following the successful design of this pig feeding structure. The local shop has added two workers thus far in manufacturing special steel tube gates and various sizes of the pig feed structure. This one was built for use on the Joe Glaser farm, near Buckholts.

County Agent Notes

New Feed Grain Program Told

By J. D. Moore
Milam County Agent

The objective of the feed grain program are to increase farm income, stablize feed costs, reduce risk of overproduction of meat, milk and eggs, stop buildup of stocks, reduce government cost and assure consumers fair and stable prices.

To be eligible for price support in 1961 on corn, grain sorghum oats and barley, the producer must cooperate with the feed grain program by diverting at least 20 percent of their 1959 - 60 average acreage of corn and grain sorghums to soil conserving uses. They may divert additional acreages. Cooperators will be eligivle for price support on corn, grain sorghums, oats barleys or rye on the 1961 crop.

A provision will prevent non-cooperators from depending on the government price support and his neighbors production adjustments to strengthen the market price for his corn or grain sorghum production. In fact, it will work somewhat in reverse: as cooperators receive payments in the form of negotiable certificates which represent grain from CCC stocks, this grain becomes available for market and farm uses in price competetion with grain from 1961 production.

Here is the way it will work: cooperators who wish to receive the cash equivalent of grain at the support price may ask the CCC to act as their agent in marketing their grain. As agent for the producer, CCC will advance the payment to the producer in cash through the county ASC office and later market the grain.

Because of time consuming legislation, final information dollar-wise is not immediately available but is due within the next week or ten days at the ASC office. The county agents, in cooperation with local ASC officials, are available for community meetings to assist further with this program it called upon.

Local Band Director To Judge At Contest

Francis Cox, band director of the 100 - piece Yoe High School Band, will be one of the official judges at the Interscholastic League State Band Contest Saturday in Houston.

Cox has also judged in solo contests throughout the state this year.

Scouter's Night To Be April 10

Scouter-s Night for all leaders of Scouting in Falls and Milam counties will be held Monday, April 10 at 7:30 p. m. at the First Methodist Church in Cameron, according to R R. Sugg, Tejas District Chairman. This is the regular monthly meeting, he said.

In the general session, special emphasis will be given to the use of "Boys' Life magazine as a program tool. Following the general session, the District Committee, will meet and workshops for Cub and Boy Scout leaders will be conducted by the Commissioner Staff, stated J. R. Yeager, District Commissioner. Tom Gaither of Rosebud is in charge of the Cub Scout Roundtable, and B. J. Adams of Lott will be in charge of the Boy Scout Roundtalbe.

Roundtables are a service of the Heart O'Texas Council, made possible by support of the United Fund in Marlin, North and South Milam Counties and Scout finance campaigns in Chilton, Lott, Bremond and Thorndale.

R. R. Sugg urged all Scout leaders to be present.

Reportable Diseases

Reportable diseases in Milam County for the week ending April 1, according to Dr. T. E. Crump acting director of the Milam County Health Department were 15 mumps, four measles, 24 strep throat, three chickenpoxs, four pheumontis, and one coxsackie encephalitis.

LIVESTOCK AUCTION REPORT

CAMERON — Cattle and calves totaled 500 about the same as last week. The supply included 15 per cent cows and 65 per cent calves. Stocker and feeder classes formed 60 per cent of the movement. Trading was moderately active. Slaughter classes sold mostly 50 cents spots $1.00 lower except bulls fully steady. Stockers and feeders ruled mostly steady except steer and heifer calves generally 50 cents spots $1.00 lower compared with last Thursday's sale.

Slaughter - Steers: Few Good 500 - 600 lbs. $24.40 - 25.10; Standard $23.10 - 23.70. Heiftes: Good 500 - 600 lbs. $23.90 - 24.40; Standard $21.10 - 23.30; Utility $18.70 - 19.90. Cows: Utility $15.30 - 16.70; Cutter $13.10 - 16.10; Canner $12.40-14.20. Bulls: Utility $18.50 - 18.90; Cutter $17.70 - 18.30. Calves: Good 350 - 500 lbs. $24.60 - 26.00; Standard $23.10 - 24.90; Utility $21.10 23.30.

Stocker and Feeder: Steers - good 500 - 800 lbs. $24.00 - 25.70; Medium $22.70 - 24.10; Common $20.10 - 22.50. Heifers: Good 500-700 lbs. $22.50 - 23.10; Medium $20.10 - 23.10; Common $19.30-21.10. Steer calves: Mostly good and few choice 250 - 500 lbs. 24.60 - 28.30, mostly $24.60 - 25.10; Medium $23.70 24.80; Common $20.10 - 23.00; Inferior $17.10 - 18.80. Heifer Calves: Good and Choice 250 - 500 lbs. $23.30 - 26.60; Medium $22.70 - 23.50 Common $20.60 - 22.90; Stocker Cows: Medium $17.10 - 19.00; Common $14.00 - 16.70. Cow and Calf pairs: Mostly Medium and Good $171.00 - 244.00; Common $146.00-172.00 per pair.

HOGS — Receipts 240 or 29 per cent less than last week. About 90 per cent of the total was barrows and gilts. Trading was active of all classes offered. Barrows and gilts sold mostly steady spots 25 cents higher, sows and feeder fully steady compared with last weeks prices.

U. S. No. 1-3 200 - 240 lb. barrows and gilts cashed at $17.00 17.80; No. 3. 250 -300lbs.$16.80; No. 1-2, 160 - 195 lbs. $16.90 - 17.30; No. 3, 150 lbs. $15.00. U. S. No. 1-3, 325 - 330 lb. sows cleared at $14.90 - 16.00 One litter of Medium 145 lb. feeders brought $13.50. Mixed weight and grade pigs sold from $4.00 - 10.50 per head.

Trophies, Prizes Awarded Winners Of Paper Contest

AUSTIN — Thirteen prizes totaling $1,450 and a dozen identical trophies have been awarded Texas newspapermen and women in the 1960 railroad feature and editorial contest, it was announced here today.

Editors from throughout the state, both on dailies and weeklies, share in the awards, made for railroad feature stories and editorials concerning the industry.

The winners:

Daily feature stories: A. C. Greene, Daily Times Herald, Dallas, first, $200; Marshall News Messenger, for a series and Dan Bus, managing editor Del Rio News-Herald, tied for second, $100 each; Jim Koethe, Wichita Falls Record News, third, $50.

Weekly features: Mrs. W. A. Salter, publisher Kerrville Mountain Sun, first, $200; Jake Trussell, managing editor Kingsville Record, and W. K. Daetwyler, publisher Pleasanton Express, tied for sec ond, $100 each; Jim Drake, Stamford American, third, $50.

Daily editorials: Tom Mulvany, Houston crinicile, First, $200. Richard West , Dallas Morning News, second $100; Ellie Hopkins Longview Journal - News, third, $50.

Weekly editorials: Rowland R. peters, publisher Nocona News, first, $200.

Features by free lance writers: Mrs. Estha B. Stowe, Daily News-Texan, Irving, first $100.

Judges in the year - long contest were Wallace Lomoe, executive editor Milwaukee (Wis.) Journal; L. S. Fanning, executive editor Chicago Sun - Times, and Edward J. Meeman, editor Memphis (Tenn.) Press - Scimitar.

April 17 Deadline For Filing Returns For Austin District

Monday, April 17 is fast approaching for those taxpayers in the Austin Inernal Revenue Serivce District who have yet to file their Federal Income Tax Return for 1960.

R. L. Phinney, District Director of Inernal Revenue in Austin urges taxpayers to avoid the last minute rush -- to make every effort to prepare and file their own returns now. "A qualified tax specialist is a sound investment for highly complex financial problems, but uncomplicated tax matters may be solved by telephoning your nearest Internal Revenue Serivce office," Phinney said.

Taxpayers residing in the Austin District should mail their returns to the District Director of Internal Revenue, 314 West 11th St., Austin.

INTRODUCING

Dr. and Mrs. David Heinrich of Victoria announce the arrival of a daughter, Lisa Ann, born March 29. Grandparents are Mr. and Mrs. Albert Heinrich of Victoria and Mr. F. J. Karnowski of Cameron.

Scale and Filet Cut Bait

When using cut bait, scale and filet it so your hook will pierce it easily.

When the bait is "tenderized" in this manner, the flesh is soft enough so the hook will break throught quickly and sink into the fish.

$5,000 Fire and Extended Coverage on your Frame Dwelling with approved roof in city limits just $16.44 per year at GEORGE CHILDRESS INSURANCE, OX 7-2112.

Mrs. Dan Robinson entertained the primary Department of the Methodist Sunday School in which she has a Sunday School class with an Easter egg hunt on the lawn of the Methodist parsonage Sunday morning. She was assisted by Miss Rita Stwart.

Ten Game Lineup Set For Yoemen

YHS Coach Billy Bates has released a ten game schedule for his Fighting Yoemen baseballers to face starting next Monday, April 10th against Rogers.

Bates and his crew have been throwing the ball around and working with their pitchers the past two weeks but official workouts got underway Monday afternoon.

Several of last year's lettermen are returning. Bobby Griswold, Chris Gay and sophomore Bob Dymke head the list of recruits working out for the diamond sport now. Track boys will be imited in their baseball practice until the ecompletion of the cinder spor.

Games will be played at Cameron Field.

Here is Bate's schedule:

April 10 - Rogers - Here - 3:30
April 11 - Rogers - There-3:30
— April 18, Hearne, There, 4:00
— April 25, Rockdale, Here, 7:30
— April 28 A & M Cons., Here 7:30 p. m.
— May 1, Hearne, Here, 7:30
— May 4 Rockdale, There, 7:30
— May 9 A & M Cons., There 7:30 p. m.
— Denotes district games.

Mrs. Irene Mees Rolls Top Score

Mrs. Willie (Irene) Mees feathered her own hat, so to speak, last Tuesday night when she rolled a 234 score at the Cameron Bowling Lanes. This is the highest score tallied by a woman since the opening of the lanes.

Bowling strictly for entertainment, she has been hitting the pins over a nine year period. Only this year however, has she reached the 200 mark. Her 234 was her best game since she took up the sport in 1952.

"I just love it", is the only reason Mrs. Mees gives for bowling. Apparently she isn't the only one in her family who, "just loves it." Her husband, Willie, has been bowling the past two years and is a member of two league teams.

A son, Harlen, and a daughter, Annette, hold top averages in the Cam - Roc and Tri - City leagues. Annette is currently pacing the Cam - Roc league with a 155 average. Six foot, four inch, Harlen has four years of experience behind him and is a member of the National Guard and Falstaff teams.

The family's 25 years of combined bowling experience advices all beginners to bowl only for fun and don't let a bad score discorrage you. Harlen adds, "If you cuss loud enough they'll all fall down."

Mrs. Mees specilizes in a sharp breaking curve ball for her bowling accuracy.

FHA Presents Talent Show

The Future Homemakers of Yoe High School presented a Talent show during assembly recently.

Doris Trdy, FHA preisdent, crowned Roy Wohleb as the 1961 FHA King. Other candidates were Philip Hubnik and Tom Moody.

"Chances Are," was the selection Marianne Jones chose for her vocal solo. She was accompanied by Joyce Smalley. Gwen Zawadzke gave a rendition of "Under the Double Eagle" on her accordian. Sally Galvan sang "Woman's Intuitions."

The FHA Corn Dippers then made their appearance. Included in this group was Margie Wise, Mary Johnson, Gloria Lange, Betty Eichinger, Dorothy Solomon, Frances Castana, and Lupe Garcia.

With their hair in pigtails, "Two Little Girls", Anna Ripkoski and Nelda Parker did a pantomine to the record "Lollipop". They were followed by a gay square dance group.

Meeting Time For Pythians Changed

At their last regular meeting the members of Milam Lodge No. 152, Knights of Pythias of Cameron voted to change their regular meeting dates.

In the future they will meet once a month instead of each week. Regular meetings will be held on the second Monday night each month at the regular hour.

Special call meetings will be held when necessary.

All Knights of the Pythian Lodge are asked to make note of the change in meeting dates and to make every effort to be present on these dates. Edwin Laywell is the Chancellor Commander of Milam Lodge No. 125.

Childress Insurance Maintains Lead In Bowling League

Childress Insurance and Real Estate maintained their first place lead over Citizens National Bank the past week with a high 899 game and second place series of 2,410.

The league leading 65½ - 35½ won - lost record is followed by Citizen's 61 - 40. Lone Star Beer is in third with 52 - 49, and National Guard rounds off the first division teams with a 49 - 52 season mark.

Western Auto is in fifth with 47 - 54, Gaither Motor Company in sixth with 46½ - 54½, Rosebud Volunteer Fire Dept in seventh with 43 - 58, and White's Auto is stuck in the cellar as the result of a 40 - 61 record.

National Guard rolled the weeks high series 2490. Childress Ins. was second, and Gaither Motor Company third with a 2400. Childress Ins. had the high game; National Guard was second and White's Auto third.

Thomas Gilliland rolled a high 548 series, Charles Hollas a 546 and Harlen Mees 531. Mees had the high week game of 213. James Wiggs and Alvin Meyer were next in line with 212 each.

Charles Hollas maintained his top average of 170, followed by Joe Humplik's 168 and Mee's 164.

Yoe Students To Present One - Act Play In A & M Cons.

"Three Pills In a Bottle" will be presented by Yoe High School students in one - act play competition at Guione Hall on the A&M College campus, Tuesday, April 11.

All 19AA schools, including Rockdale, Hearne, Caldwell and A&M Consolidated as well as Cameron will present plays.

The Cameron play, first of five, will be presented at 3 p. m.

Mrs. Beatrice Wiese will direct the production which is a one act fantasy and has a cast of eight.

Cast members are Charles Schuhsler, Bobby Griswold, Joe Harber, Roy Wohleb, Rebecca Harden, Sharon ic, Suzanne Lippman and Phillip Hubnik.

Waco School Takes Track Honors Sat.

Moore High of Waco won the senior and junior boys divisions of the O. J. Thomas track meet held here Saturday. Dunbar of Temple was second, Kemp High of Bryan third and O. J. Thomas fourth.

The O. J. Thomas girls and the Dunbar girls tied in total points as co - champs in the girls division.

Moore High won the senior division with 36½ points and the junior division with 21 points. O. J. Thomas had a total of 17 1-3 points.

Rev. K. Haley To Speak At PTA Meet

The Cameron PTA will meet 7:30 p,. m. Thursday in the Ben Milam Cafetorium.

Rev. Kenneth B. Haley, pastor of the First Christian Church will be the speaker for the evening. His topic will be "Daily Living-Is It Purposeful?"

Officers for the coming year will be elected.

All parents are urged to join the PTA and those having children who are to enter school in the fall are especially urged to join.

Alley - Oops Hold First Place In Teenage League

The Alley Oops are currently holding down first place in the Guys and Dolls Bowling League with the Flintstones and Hot Rods not far behind in a second place tie. The Yogi's hold down the third slot.

Norvell Barrett swept top individual honors for the week, bowling a high 506 series and high 271 game. The Hot Rods were great teamwise with a 2360 serises and 830 game.

The Whirlybirds rolled a second game place 815 and a second place 2293 series. The Flintstones were good for third position in the high game and series categories.

Eugene Taylor rolled a 485 series behind Barrett and Charles Staley a 437 series. John A. Smith, with 174 had the week's highest game; Eugene Schattle was third in line 164.

Bob Dymke maintained his league leading average of 143. John A. Smith and Norvell Barrett are tied with 141.

Cardinals Defeat Taylor Braves, 12-8

The Cameron Cardinals defeated the Taylor Braves by a 12 - 8 score Sunday.

Tony Mendoza went the distance for Cameron. Marion De La Rosa was the catcher for Cameron. The losing pitcher was Joe O'Campo and cathcher Benny Moore.

The Cardinals will travel to Killeen Sunday.

Cameron Classroom Teachers Hold Meet

The Cameron Classroom Teachers Association met in special session March 27 at the Ada Henderson Library. The meeting was for the purpose of discussing the possibility of social security for teachers.

The administrators were special guests bringing the teachers vital facts concerning social security. It was decided to call a future meeting of all teachers to further inform them. This date was tentatively set for April 17.

CAMERON HERALD VIEW ON SPORTS

— WITH ROBERT MANN —

Two big events are in the making for next week's sports spotlight. One is the starting of the Yoemen baseball season; the other is the annual district track meet, held at Kyle Field in A & M Consolidated territory this year.

Billy Bates will have his hands full in order to bolster a strong baseball squad by the time Cameron's first district tilt rolls around April 18th in Hearne.

Official workouts got underway last month after other 19AA teams began practice. Even now, some key players will be handicapped until track is over and done with.

Pitching is the bright spot in the diamond lineup. Carroll Fikes, a senior fireballer, Ernest Bayer, powerful junior moundsman, and Bob Dymke, hardworking sophomore, are the top three possibilities for the opening day with Rogers next Monday.

Chris Gay is the only throwing southpaw available for mound work and should see his share of relief hurling. Senior Pat Dillon, a top - notch infielder, is another reserve hurler.

Bobby Griswold, veteran catcher infielder will split the receiving chores with Stanley Kirk, a junior who has seen action at practically every position since his freshman baseball year. Griswild is one of the teams strongest hitters and may fit better in the infield then behind the plate.

James Anderle, Thomas Leonard David Walston, Ronnie Williams, Dan Brashear, Eugene Schattle and Ed Lierman will be fighting for outfield positions. Lierman, Brashear and Anderle may have the inside track for the starting lineup.

VOS

Coach Wallace Johnson is on the verge of winding up a successful track season with the running of the 19AA district meet Friday.

Johnson is depending on his regular tracksters to earn the needed points for him. Ed Lierman, Carroll Fikes, Steve Malone and Jimmy Weathers are expected to carry the Yoemen bulk.

A & M Consolidated looked weak in the Cameron Relays with a mere two points tallied. Hearne and Caldwell should give simple performances; Rockdale may be the meet's "Black horse."

From here it looks like the Yoemen should repeat their 1959 first place performance. Last year Jim Speer's crew was swept under the rug by an unpredictable Belton Tiger crew.

Bowler Rolls Triple

Marvin Boyer, a member of the Alcoa Bowling Team rolled the first triple in the Maple League play this year. He will receive a patch from the American Bowling Congress for his three games of 182 each.

CYO Record Hop

The Cameron CYO will hold a record hop this Friday according to James Barta, president. The dance will start at 8 p. m. and end at 11 p. m. Everyone is invited.

AD NOTES

ALAMO — It packed 1705 Countians in Milam Theatre during a six - day run, a modern record for the Cameron downtown theatre according to Manager Billy Peck.

Including the two - week period of Alamo and three other pictures, the Milam Theatre counted 2,200 patrons. Promotion made the difference, Peck said.

OJT Bulldogs Take First Place In Several Track Events

The O. J. Thomas Bulldog track team rang up a first place high jump position, second place 180 yd. low hurdle spot and a second and third in the shot put as a result of their annual track meet held last week.

O. J. Thomas' Debose jumped 5'10." for a first in the high jumping event. Bradley of O. J. took a second in the 180 yd. lows behind Dudley of Temple with a 21.9 time, and Bradley tossed the shot 44'2" for second. William also of Cameron was third in the shot with a 42'2" toss.

Green of Waco took top honors in the 440 yd. dash and 220 yd. dash with 51.2 and 22.0 times respecitvely. Moore High School of Waco won both the mile and 440 relays. The 440 relay time was 44.6.

Jefferson Carver of Waco ran a 10 second 100 yd. dash and Inglerhart of Moore and K. William of Cameron tied for top broad jumping honors with identical 20'2" leaps.

Patterson of Bryan won the discus throw by tossing the platter 120'9½". Jackson of Kemp won the shot put with a 44'3" toss.

Dearman of Caldwell, with a 4' 4".9 time won the mile run and Dunbar of Temple captured first in the 880 yd. dash.

In the Junior track meet the 50 yd. dash and 100 yd. dash was won by Calhoun of Smith with 5.2 and 10.3 times. Moore High of Waco swept the 440 relay with a 47.8 times; their Louder also won the 75 yd. dash with 8.0.

Straightening Out Line

If the boat trip home from the fishing grounds is a long one, part of the time can be put to good use by trolling the line free behind the boat.

Use no hooks, sinkers or leaders. Just peel all the line off teh reel spool and troll it behind the boat for 10 to 15 minutes.

This free trolling will remove dirt from the line. Also it will take out twists and kinks acquired in the day's fishing.

Fishing Snaggy Waters

When fishing snaggy waters, tie your sinker on with light line. Then if you foul up, you can jerk the rig loose and lose only the sinker.

WEAK DARK CLOTHING

Don't wear light colored clothes when fishing. It's the mark of a novice, for it enables the fish to see you at a greater distance.

Carry Tiny Screwdriver

A small screwdriver, such as the type used by optometrists, is mighty handy when it comes to changing hooks on a plug.

Carry A Small Magnet

Hooks, snaps, etc., dropped between the floor boards in a boat are sometimes hard to pick up with your fingers. Carry a small magnet in your tackle box for just this purpose.

A&M Cons. Matches

Yoe Tennis Team To Play Monday

The YHS tennis team will travel to A & M Consolidated Monday, April 10 for the district 19AA tennis matches.

Under the instruction of Larry Hyde and Dr. Earl Knebel, playoffs were held the past week; with the exception of three groups, representatives and alternates have been selected.

Senior boy and girl participants played practice matches in Rosebud Wednesday.

Hyde is an East Texas graduate and majored in Industrial Education. This is his first year of teaching experience. Knebel has several years of athletic experience behind him.

The district competition will include teams from Caldwell, Hearne, Rockdale and A & M Consolidated as well as Cameron.

Here is a list of the Yoe High tennis team:

Sr. Boys Singles - Earl McGoldrick; Alternate, Freddie Hoskins.

Sr. Boys Doubles - Melvin Provasek and Jimmy Woodum, Alternates Johnny Springer and David Barkemeyer.

Sr. Girls Singles, Joyce Smalley; Alternate, Jane Matyastik.

Sr. Girls Doubles - Connie Gerick and Linda Kirk; Alternates, Mary Ann Rice and Raye Baggerly

Jr. Boys Singles - John Zelisko; Alternate, Merlin Lester.

Jr. Boys Doubles - Billy Davenport and Larry Plentl; Alternates Dennis Jones and Merlin Lester.

Jr. Girls Singles, Jane Monroe; Alternate, Marcia Schiller

Jr. Girls Doubles - Jolene Wied and Carol Ann Crook; Alternates, Marcia Schiller and Gladys Humplik.

An Easter Drive In Cameron

We drove the length and breadth of Cameron over the Easter week-end and saw these encouraging signs of spring.

We saw: Cameronites playing tennis at the Yoe Courts, warming up for Little League Baseball at Cameron Field, enjoying a family game of softball at Wilson-Ledbetter Park, riding horseback along Country Club Drive, golfing at the lush green Cameron Country Club course, enjoying a picnic at Cameron Park (E. 4th St.) driving through Cameron residential areas, watering lawns, preparing boats for the summer lake season, chatting with neighbors across a back yard fence, buzzing down the first growth of grass, swinging away on playground equipment.

In short, the sun shone and people responded at their leisure.

We also saw: homes with new coats of paint, the bright yellow and reds of newly painted markers on Cameron streets, a newly graded and leveled Cameron Horse Show arena, the freshly moved ball park, several building projects nearer completion, a cleaner railroad right-of-way, new curbing and base on E. 11th St., Yoe Campus neatly trimmed, streets being swept by machines late at night, old frame houses, long empty, coming down, building fronts being decorated, new intersection traffic signs.

Cameron's face was brighter and newer, a springtime response to the work at hand.

These are the proofs, if they are needed, that Cameron continues its efforts to use the facilities it is building and to improve things that make a city.

Yes, it was a city at work and at play this Easter weekend, not much different perhaps, from other small cities arross Texas, but showing the bright expectations for a new year.

We may hear of less bright things that stymie this state and this nation, but Cameron seems to press harder when working a bit harder makes a difference. It is that resilience and this attitude that puts Cameron out of the ordinary--stable, but not stodgy, careful, but not hesitant.

If you have not noticed these things because of the demands of your responsibilities, we recommend a drive through Cameron one fine spring day soon. You will appreciate your efforts even more. You will find Cameron a better place to call home.

Anti - Castro Invasion Imminent?

Anti - Castro forces are promising a spring invasion of Cuba. This follows the formation of a provisional government in New York with a former Castro official, not a communist, serving as provisional president.

Latest word comes from Mexico City that anti-Castro forces exist in just about every Central and South American country.

They plan to establish a beachhead on the coast of Cuba, then move in the provisional officers. Thus, they hope to gain official recognition from the U. S. and perhaps aid.

In time with these developments outside of Cuba is a planned rebellion from Cuba's interior, presumably by dissatisfied farmers led by some 500 rebels still in the hills.

There is much irony in these developments. Mexico, the jumping off point of Castro's rebels of about four years ago, seems to be the center of yet a second Cuban invasion force. And some of the same people who helped Castro come out of the hills victorious against Batista are waiting to overthrow the bearded Fidel.

When or where the invaders strike is a guarded secret. But one can be assured news of the action has Fidelistas scurrying around the island in quest of invaders. Castro has turned thousands of troops loose against the rebels in the hills, seeking to dislodge this danger.

The provisional Cuban government, without portfolio until they physically occupy some piece of Cuban shore, promises free elections in 18 months and dissolution of any agreements with the Soviet Sphere. Once kept, these assurances would expell a great deal of the communist influence in the Western Hemisphere. It is now formidable.

Looking ahead, observers are reckoning the prospects of communism without Cuba and Cuba without communism. The island has been subject to the miseries of dictatorship from left and right. It is likely the people and their institutions have matured more in four years of Batista and Castro than in all their previous history.

When given back their government, Cubans will long consider before again tossing aside reason for ridicule. This is what we hope and trust the outcome will be when Cubans find the center of their problems is actually at either flank.

Texas Senate Has Tax Bill

By Vern Sanford

AUSTIN — Texas Senate now has a tax bill --one designed to wipe out about half the deficit that is expected to be about $63,000,000 when the new fiscal year starts September 1.

Revenue - raising measure must be passed by the House before they can be considered by the Senate, and the upper chamber has waited with polite impatience for the House to send it something to work on.

Passed 85-to-60 by the House was the so - called "loophole bill" by Rep. Charles Ballman of Borger.

It is a sort of catchall bill that (1) plugs up some leaks in the revenue bill passed last session, taxing central air conditioners, juke boxes, etc., (2) provides for a transfer of 1 per cent of the permanent school fund to the available school fund, (3) sets up a two - factor formula for corporate franchise taxes and (4) levies a state gift tax or one - half the federal gift tax.

Caption of the Ballman bill is broad enough that a variety of other money raising plans could be added to it should legislators be able to agree to them.

Meanwhile, the House Revenue and Taxation Committee still has a lot of other tax bills in the mill. Three sales tax tills were sent to subcommittee, as well as a hotly debated proposal to levy a 10 per cent tax on trading stamps.

A trading company spokesman said there is only a three per cent profit on the operation and that a 10 per cent tax would put them out of business.

On the other hand, stamps were attacked as "counterfeit money" and an unnecessary burden on both merchant and consumer.

STRIKE THREE

Texas Supreme Court made short work of a 1959 - passed tax law that many lawmakers had hoped would be a potent future revenue raiser.

Without issuing an opinion, the high court agreed with the trial court and divil appeals court that the severence beneficiary tax on gas is unconstitutional.

Although three state courts have turned thumbs down on the gas tax, the last chapter remains to be written by the U. S. Supreme Court. As passed in 1959, the gas tax was low (1½ per cent of market value), but supporters had indicated that if the law survived its court battles, the rate would be raised to bring in more money.

LADIES SCORE IN HOUSE

House has passed and sent to the Senate a proposed constitutional amendment that would automatically erase all stafutes that treat women differently from men.

Rep. Ben Atwell's very brief amendment states that "equality under the law shall not be denied or abridged because of sex." It passed the House 135 - to - 10

Senators have misgivings about causing such sweeping changes in the law. Some 44 statutes would be affected.

LOAN FIGHT SHAPES UP

House members are coming to grips with one of the session's touchiest issues -- regulation of small loan compaines.

House committee on Banks and Banking reported to the floor a bill authored by Rep. Criss Cole of Houston. It is being subjected towidespread criticism, but Cole, long - time veteran of the loan regulation effort, declared that no bill was going to satisfy all the interested factions.

Cole's bill sets u a sliding scale that would allow interest rates of just under 40 per cent on loans of $100 and dropping gradually to about 11 per cent on a $3,000 loan. It also allows for "reasonable insurance changes" at rates set by the State Board of Insurance.

Abner McCall of Waco, spokesman of a statwide committee for sound loan laws, said the interest rates were too high and that the limit on credit insurance charges

Congress Work Appraised Here

By Cong. Bob Poage

The Easter recess (the Congress will not be in session next week) is always a good time to size up the work of a Congressional session. Congressmen get no "report cards" but a great many organizations write their own appraisal of the work of each member. These appraisals do no more than show whether a Congressman has followed the wishes of a particular pressure group or not.

We can, however, get some idea of the direction our government is taking by reviewing the total Congressional action up to this point.

It is clear that Congress wants to help Prsident Kennedy invigorate our economy. We have approved and sent to the President bills extending aid for the unemployed and offering grain farmers an opportunity to reduce our unneeded surpluses of feed grains. The majority has voted to some type of minimum wage and for aid to so - called "depressed areas." There has been strong support expressed for the President's firm stand against the Russians. On the whole th Kennedy Administration has enjoyed remarkable good relations with the Congress.

On the otherhand, the Congress has shown that it would not let the President or anybody else simply hand it a program for a pro forma "O. K." The President's board minimum wage coverage was rejected. While he will undoubtedly win his fight to deny public money to private schools, it appears less likely each day that his general aid to education program will pass. In other words, while this Congress is friends, it is definitely not buying any program without consideration. I think this is a healthy situation.

This week the House passed the so - called "Distressed Areas" bill. This measure provides Federal aid to industries which locate in the areas of chronic unemployment. We are working very hard to get industries to locate in Central Texas. We often lose to areas which offer a location more to the liking of the particular industry. This is free competition, but when the government goes to bidding against us (by giving special loans and grants available only in other areas), I feel that is using our tax money to keep us from getting factories we would otherwise get. The bill had some "sugar coating" in the way of farm credit for low income farming areas but I felt the whole plan is unfair. I, therefore, voted "No." This bill is going to make it harder for us to get new factories in Central Texas, and is going to raise the cost of living by tending to keep industry in high cost areas.

Letters

510 Sunset Blvd.
Lufkin, Texas.
March 28, 1961

Dear Mr. Luecke:

Thank you for your letter of March 23 and your recent story of Manse Jolly.

I would greatly appreciate getting three copies of your paper which carried my letter of Manse's journey to S. C. as well as the picture of the grave. The papers to which I refer came out in late March or early April.

I am deeply indebted to you for your kindness and I plan to dig some additional information for there is a conflict in the creek's name where Jolly drowned. I saw the letter from Jolly's nephew to Manses family and it stated Little River not Walkers Creek. Of course, Walkers Creek flows into Little River and it is quite possible that the name of the creek could have changed.

I plan to send to you an article on Thomas Jefferson Rush who was born near Jolly's old home just as soon as it is typed. You may use it any way you choose.

Sincerely yours,
Harry R. Wright

Dear Mr. Luecke,

Thanks very much for your letter and particularly for publishing mine in The Herald. As a result I now have information on six of the descendants of Eli Hardcastle, Sr.

I have also been in correspondence with Lon Peeples of Milano who has offered to help me on the research on that family.

Again my thanks and my best wisher.

Respectively yours,
T. R. Howard

LITTLE RIVER PHILOSOPHER

Philosopher Takes His Mind Off Of Big Problems, Rests It On Little Ones

Dear editar:

I know everybody is supposed to be concentrating hard on the solution to the problem in Loas, but a man can stand just so much of these high - level problems and has to rest his mind occasionally by working on small ones.

What threw me off the major problem was an article I read in a Sunday newspaper which I didn't get hold of until Wednesday, which is soon enough, about progress being made with the telephone.

As I understand it, the telephone company is working hard all the time to improve service, and everybody has to admit the phone today is better than it was a generation ago but the thing can be carried too far.

For example, they're working on a dialing system now whereby you can dial more than one number at a time. It's a fact, you may be able to dial more than one number at a time. It's a fact, you may be able to dial three or four numbers and carry on conversations with all of them at the same time, in a sort of general conference.

Now this may be handy for busy executives in business or for housewives trying to decide in a hurry what kind of sandwiches to serve at the reading club, but has the telephone company every stopped to thank what teenagers will do with this system? They'll break down the communication network. Instead of trying up two telephones for two house, they can tie up four.

This is the way with a lot of progress. It finally becomes so unwieldy it defeats its purpose, like cars in a traffic jam, and the only answer is to work harder and put in a second phone for your own use, and for the amount of work it takes to say for both, you could walk over about as cheap and see in person the man you wanted to talk to on the phone in the first place.

Also telephones are becoming too thorough. The purpose of a telephone, as far as I'm concerned, is to reach somebody without having to go see him, but they're working on new phones that'll reverse this, and make it possible for people to reach me on the same terms. If you're not at one number, the phone will automatically trace you to the next one; if your phone is busy, it'll wait till you hang up and then ring immediately. Why, even if you're off on a tractor, it's possible to reach you by phone. This is going too far.

As far as I'm concerned, a phone is to reach somebody else with, not for somebody else to reach me with. I'd better get back to working on Loas.

Yours fiathfully,
J. A.

Two 4-H Girls Prepare For Meet

Patricia Kostroun and Carolyn Jistel of the County Wide 4-H Club have been practicing for a Dairy Food Demonstration that they will give at the 4-H District Contest at Stephenville April 15.

The girls will be in the senior Dairy Good Division.

IT'S Flameless... IT'S ECONOMICAL

Electric AIR CONDITIONING
KEEPS YOUR HOME COOLER . . CLEANER

Specify the HEAT PUMP

It's the ultimate in year 'round weather conditioning. You just "set it and forget it!" The heat pump, with its modern temperature controls, *automatically* changes from summer cooling to winter heating. Continuous humidity control contributes to comfort and health. The compact all-in-one unit can be placed anywhere . . . attic, closet, under stairs, outside. Get the complete story on the performance and economy of the heat pump.

Your whole family will thoroughly enjoy the better living that modern electric air conditioning provides.

- Cool, refreshing air . . . thanks to colder coils.
- Removal of dust, pollens, odors from the air.
- Effective control of humidity.
- Electric air conditioning offers you a choice of types . . . room units or central system.
- You also can choose from various sizes of window and central units when you go electric!

See your electric appliance dealer or air conditioning contractor.

TEXAS POWER & LIGHT COMPANY

ervices Conducted or A. D. Harvey

A. D. Harvey, assistant superintendent of Kingsville schools, died t his Kingsville home March 27 llowing a heart attack.

Harvey was the husband of the ate Mrs. Josephine Smith Harvey nd the brother-in-law of Sue da Smith of Kingsville.

Services were conducted March 8 by Rev. W. G. Birkman at the First Methodist Church. Burial was n Rest Haven Memorial Gardens

S. C. Robertson, C. L. Rakin or any of the unknown persons heretofore described; and all persons claiming any title or interest in the land under deed heretofore given to C. L. Rankin of Milam County, Texas, as grantee by W. S. C. Robertson and wife, A. E. Robertson, defendants in the hereinafter styled and numbered cause:

You and each of you are hereby commanded to appear before the District Court of Milam County, Texas, to be held at the courthouse of said county in the City of Cameron, Milam County, Texas, at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance hereof; that is to say, at or before 10 o'clock A.M. of Monday the 8th day of May 1961, and answer the petition of Mrs. Allan Varner et al plaintiffs, in Cause No. 14,984 styled Mrs. Allan Varner et al vs. W. S. C. Robertson et al, in which the following persons are plaintiffs: Mrs. Allan Varner, G. R. Varner, Mrs. Clarence Varner, Mrs. Dillard Baker joined pro forma by her husband, Dillard Baker, Mrs. R. E. Doty joined pro forma by her husband, R. E. Doty and Miss Willie Griggsby, and the following persons are defendants: W. S. C. Robertson, C. L. Rankin and their unknown heirs, spouses, administrators, executors, guardians, legal representatives, assigns, devisees, legatees and the unknown heirs, spouses, administrators, executors, guardians, legal representatives, assigns, devisees and legatees of such unknown persons; and all other persons claiming under W. S. C. Robertson,C. L. Rankin or any of the unknown persons heretofore described; and all persons claiming any title or interest in the land under deed heretofore given to C. L. Rankin of Milam County, Texas, as grantee, by W. S. C. Robertson and wife, A. E. Robertson, which petition was filed in said Court on the 23rd day of March 1961, and the nature of which said suit is as follows:

Said suit is in trespass to try title and is brought as well to try title as for damages, to remove cloud from title and in the alternative for judgment of subrogation to rights of the State of Texas and the County of Milam for delinquent taxes.

Plaintiffs sue for title to and possession of 154½-acre tract known as the W. S. C. Robertson Survey, Milam County, Texas, Abstract No. 419, more particularly described in Patent of record in Volume 294, pages 594 and 595, of Deed Records of said County; plaintiffs allege title to said land under the 3-, 5-, 10- and 25-year statutes of limitation provided by laws of the State of Texas; that defendants are wrongfully asserting some character of claim to said land which

CARD OF THANKS

I would like to thank each and every one for their thoughtfulness during my recent illness. The flowers, food and other assistance given the family were sincerely appreciated. My thanks to Drs. Smith and Baskin and the entire staff of St. Edward's Hospital. May God bless you.
Mrs. J. A. Cryer

LEGAL NOTICE

constitutes a cloud on plaintiffs' title; plaintiffs pray for judgment for title to and possession of said land, removing cloud cast thereon by defendants' claim, for damages, court costs; and in the alternative for judgment of subrogation to the rights of the State of Texas and County of Milam for delinquent taxes, penalties, interest and costs paid to said State and County by plaintiffs in satisfaction of the judgment in Cause No. 3294 in the District Court of Milam County, Texas, styled State of Texas vs. C. L. Rankin et al, wherein said State and County obtained judgment against such defendants for foreclosure of their tax lien and plaintiffs sue for foreclosure of the lien of such taxes against the following described land:

50.5 acres in Abstract 419 W. S. C. Robertson Survey, Milam County, Texas, and being that property conveyed to C. L. Rankin by W. S. C. Robertson by deed dated October 19, 1897 said 50.5 acres being an undivided 50.5 acres out of the 154½ acre W. S. C. Robertson Survey and being all of said survey, save and except that portion conveyed to Mrs. Maggie Griggsby by deed recorded in Volume 47 at page 550 of the Deed Records of Milam County, Texas, and to which reference is herein made.

If this citation is not served within 90 days after date of its issuance, it shall be returned unserved.

Report From The Confederacy

Fort Sumter Impasse May Bring On Conflict

BY Robert Stoned[a]le

(Ed. Note: Since the secession of South Carolina on December 20th and the formation of the Confederate States of America by South Carolina, Georgia, Florida, Alabama, Mississippi, Louisiana and Texas in February, the Northern and Southern governments have been attempting to win the support of the unseceded Southern States. Union occupation of a fort at Charleston, deep within the borders of the Confederacy, has become an important symbol in the struggle. Our correspondent on the scene reports on the tension building up there).

CHARLESTON, S. C. — Federal occupation of Fort Sumter in Charleston Harbor is the largest thorn in the side of the South this week. Confederate authorities are highly reluctant to use force against the Federals, but the presence of foreign troops on its soil constitutes a denial of Confederate sovereignty and compromises the prestige, dignity and honor of the government.

The Union occupation cannot be tolerated if the Confederacy is to achieve international recognition. Accordingly, President Jefferson Davis and his advisers are bending every effort to secure peaceful evacuation of the fort.

It is apparent that the Union government is resolved to maintain its position at Sumter. To do otherwise would amount to recognition of the rights of the Confederacy a position that a Northern politician can assume only at the cost of his career.

The Gordian Kn[o]t

The diplomatic advantages lie with the Union government. So long as its garrison remains at Sumter, the possibility of foreign recognition of the Confederate States of America is dim and the fiction that the old Union is still in existence can be preserved. If the Confederacy uses military force to reduce the fort, public opinion in the Border States may find the South guilty of first striking

Brig-Gen. Pierre G. T. Beauregard marshals Charleston defenses.

the blow that could lead to war; a prospect hateful to the majority of the people in both sections.

Facing the possibility that this Gordian Knot may have to be cut with the sword, regardless of opinion in other States, work on the Charleston defenses has continued steadily. Since his State seceded last December, Governor Francis W. Pickens of South Carolina has labored uncreasingly to equip militia forces and man the harbor forts his men seized from the Federals during the winter.

Brigadier - General Pierre G. T. Beauregard is now in command of Confederate and South Carolina forces at Charleston which amount to more than 3,000 men. The brilliant 42 - year - old engineering officer has expended every effort to turn the half - disciplined South Carolians into a military organization whose standards and discipline are in keeping with the traditions of a national military service.

General Beauregard's assignment is to defend the property of the Confederate States of America and the State of South Carolina at any cost. The military preparations made here since he assumed command last month, leave no doubt that he is devoted to that task.

His first general order put an immediate stop to the soldier's pracitce of leaving camp to visit their homes at will. Firm orders have been issued to the commanders of the various detachments requiring strict adherence to Confederate Army regulations.

Soldiers are not permitted to leave their camps unless sickness or other extra - ordinary cause requires their absence, and all lights around the harbor edge are now extinguished at dark. Reveille echoes from the forts and buildings at dawn and regular guard is mounted at every post. Dress parades are held daily at 5 p. m.

Several soldiers have been court - martialed for disobedience to these and other orders, and, as a result, General Beauregard's command has taken on a military character in keeping with its post of danger.

The commander of the troops on Morris Island, Brigadier - General James Simons, has commented that General Beauregard's arrangements bespeak his soldierly character.

A Ray of Hope

"With such a commander we are confident that any warlike move on the part of the Federals can be immediately repulsed," he said yesterday after retreat was sounded and his men had returned to their tents.

"As a matter of fact," he continued, "One of our chief tasks is to restrain the enthusiasm of the men. At the first hostile shot they are prepared to submerge Fort Sumter in a wave of fire and steel!"

There is a ray of hope that such an unfortunate occurance may be prevented. It is known that the Federal force at Sumter is dependent upon the supplies they are allowed to purchase daily in Charleston. If these are cut off, they may be forced to evacuate their post due to hunger.

Junior Volunteers

Candy Stripers Serve Patients

A typical Easter prade is seen in the corridors of McCloskey Veterans Administration Center as the gay young candy - stripers go about their assignments.

These candy - stripers are the teen - age boys and girls who use their spare time in serving others and at the same time, they receive career training in the field of their choice. Their bright uniforms consist of red - white striped pinafores with white blouses and slippers for the girls and red-white striped shirts with white trousers and shoes for the boys.

Their work as volunteers is, in itself, an education for they are trained and supervised at all times by professionals or those skilled in the trade.

These Junior Volunteers are the newest contribution in hospitals over the nation to better patient care. They do not give medical care to the sick but in their wide-scope assignments, they do assist in the hospital programs, not to mention their vivaciousness boosts the morale of the disabled.

They may select assignment as aide to the dental assistants, the dietitians, laboratory technicians, arts-crafts technicians, recreation specialists, librarians or social workers; or as assistants to the therapists in educational and speech therapy, occupational therapy or physical theraphy; or serve as escorts and ward hostesses, and in other varied assignments in the Nursing Service. They may also work with the x-ray technicians, clinical psychologist, or gain experience as clerk - typist.

The growing populatiry of this community service among the teen - agers is verified by the 100 percent increase in number of Junior Volunteers from one year to the next.

Al boys and girls in this area, ages 15 - 18 are urged to take advantage of this opportunity to serve others and receive career training at the same time.

Personal interview, accompanied by parent or guardian, is required of each boy and girl before application is accepted.

Those from Cameron who served as Junior Volunteers in 1960 were Sandra Baskin, Ann Bowman, Connie Gerick, Patricia Kay Harris, Frances Jackson, Lanette Laffere, Joyce Smalley and Joyce Terry.

Keep Dolphin In Water

When you catch a dolphin offshore, don't bring the fish immediately into the boat. Let it thrash around in the water. This will attract other dolphin in the immediate vicinity.

Some marine biologists say dolphin are able to communicate with each other, and they theorize that the hooked fish makes sounds that attract other dolphin.

'Special Handling' Does Not Indicate Careful Handling

"Contrary to popular belief, payment of a 'Special Handling' fee does not mean that parcels will be processed more carefully than other mail, nor does it provide for 'Special Delivery' at the office of address," says Postmaster J. R. Hays.

According to Postmaster Hays payment of a "Special Handling" fee provides only that fourth-class mail (Parcel post) will receive the same fast transportation as first-class mail when traveling beteen post offices. So those who are anxious for their parcel post to go quickly to its destination may pay a "Special Handling' fee and receive first - calss transportation at less cost than would be involved by mailing a parcel at the first - calss rate of postage

Both "Special Handling' and Special Delivery" mail receive the most expenditous surface transportation possible between post offices. "Special Delivery" mail is delivered immediately upon arrival at the office to which it is addressed. "Special Handling" parcels are not delivered until the next scheduled trip of the regular carrier.

"These two special services have other distinguishing features that are not generally known," says Postmaster Hays. All classes of mail may be sent by "Special Delivery," but only parcel post may be sent by Special Handling." When it is necessary to forward "Special Handling" mail to another post office, this mail continues to receive first - class transportation without payment of an additional fee; however, forwarding postage at the fourth - class rate is collected on delivery. "Special Delivery" mail does not continue to receive "Special Delivery" service at the office to which it is forwarded unless a forwarding order has been left by the addressee at the original office of address in advance of arrival of the mail.

Answers to questons regarding fees for "Special Delivery," and "Special Handling" and other postal matters can be obtained quickly by calling OX 7-2662.

In The Service

MEDITERRANEAN (FHTNC) — Loyd D. Kennon, seaman, USN, son of Mr. and Mrs. R. C. Kennon of 108 N. College, Cameron is serving aboard the destroyer USS Cone operating with the Sixth Fleet in the Mediterranean.

The Cone is scheduled to visit France, Italy, Greece, Spain and Turkey during the seven - month cruise.

Did you know Gasoline is Taxed at a Rate 5 Times as High as Diamonds?

IN TEXAS, YOU PAY 90¢ TAX ON 10 GALLONS OF GASOLINE

Gasoline taxes will be lowered—if the latest temporary Federal gasoline tax increase expires on June 30th as scheduled by the 1959 Federal Highway Act.

Along with all good citizens, we are in favor of building the roads that the motoring public needs. But, in the last 10 years alone, Federal and State taxes nationwide on gasoline have *skyrocketed 51%*—skyrocketed to a point where gasoline, a basic commodity, is actually taxed at a rate *five times as high as luxuries* like diamonds and mink coats.

Must gasoline taxes be so high? Most people believe that gasoline taxes are high because the money is needed to pay for our national highway program. This is not so.

The fact is that out of every highway-user tax dollar collected last year by the Federal government, *more than 40 cents was diverted to non-highway purposes.*

If these highway-user tax revenues were spent for highways—as they should be—gasoline taxes could be lowered, and the highway program given a boost.

In fact, the Federal-Aid Highway Act of 1959 provides that when the added temporary Federal gasoline tax expires on June 30th, 1961, as scheduled, some $802 million a year in highway-user taxes—now diverted to the U. S. Treasury's general fund—will instead be deposited in the Highway Trust Fund.

As a result, if the latest Federal temporary gasoline tax increase expires on June 30th as scheduled—the national highway program will actually get $225 million more each year than it now receives from the latest Federal temporary gasoline tax increase.

In January of this year, after an exhaustive 2-year survey of national transportation policy, a special U. S. Senate study group confirmed the wisdom of this decision.

This will be good news for you. You will be able to enjoy a steadily improving highway system, at a lower gasoline tax-rate.

HERE ARE THE FACTS ABOUT TODAY'S HIGH GASOLINE TAXES

- In Texas, you pay 90¢ tax on 10 gallons of gasoline.
- You pay 9¢ tax a gallon—4¢ in Federal taxes plus 5¢ in State taxes.
- Gasoline is taxed at a rate 5 times as high as diamonds.
- The average Texas motor vehicle owner pays $78 a year in gasoline taxes.
- Since 1951 there have been three increases in the Federal gasoline tax alone.
- In the last 10 years, gasoline taxes nationwide have skyrocketed 51%—yet the national-average price of gasoline itself has risen only 5.5% during the same period.

The Gasoline You Buy Is Taxed Too High!

Presented in the public interest by the Gasoline Tax Education Committee, 575 Lexington Avenue, New York 22, N. Y.
